TAKE HOME

*Important point is to be able to observe the instinctual drives in my everyday life and in particular how they operate with my Passion. (It's not easy because it is one of the main ways we are blind and asleep to the patterns in our lives.)

*Our Subtype is HOW and WHERE we express basic themes and challenges in our lives.

*Subtype activity is the major vehicle for our Type Passion.

QUESTIONS

*What are your themes and challenges?

*How does your primary subtype activity express your life energy in the world in ways that reflect your true purpose?

*How is it distorted by my Passion?
